DOCTORS WITHOUT BORDERS

Global Challenges | Audio-Visual Competence

VOCABULARY

- humanitarian organization

- relief supplies

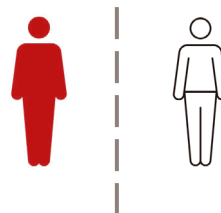

- logistics

- charter

- impartiality

SPLIT VIEWING

Work with a **partner** on a video clip.

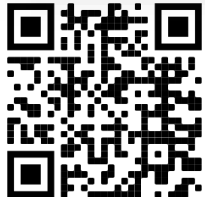

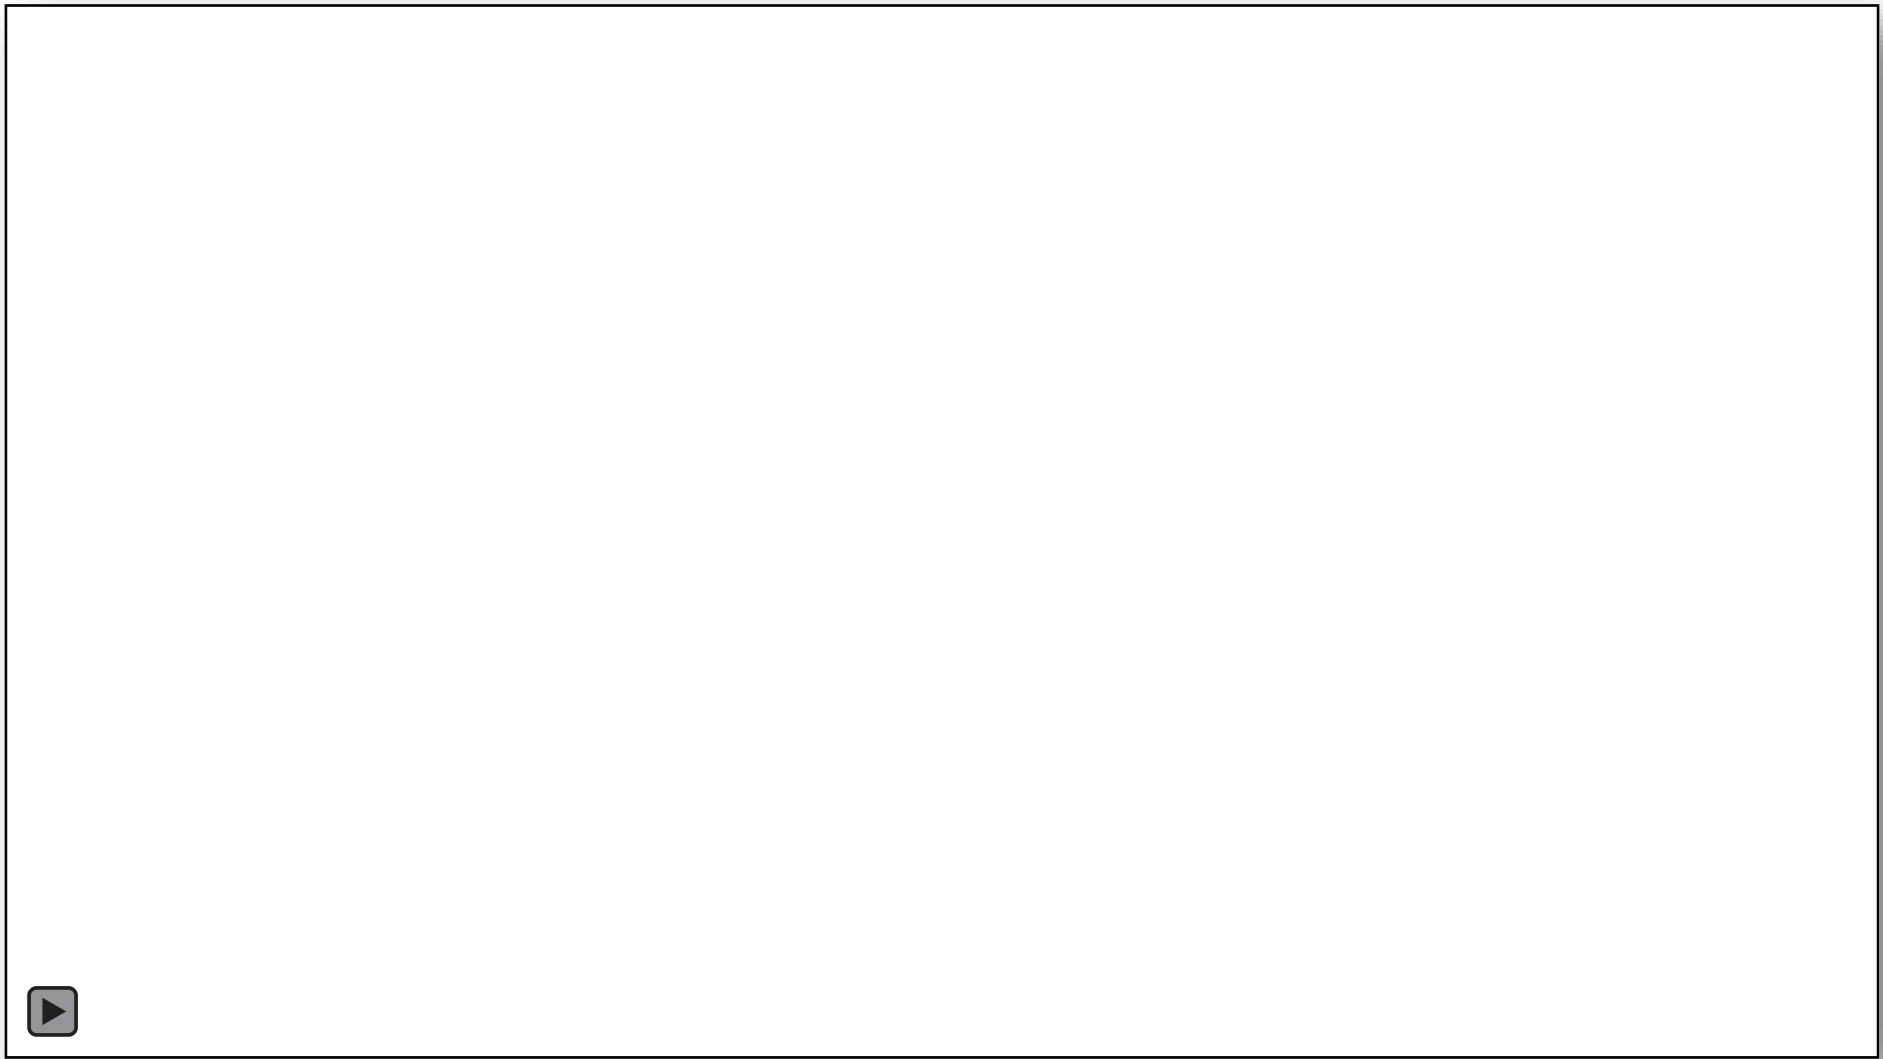

One of you **covers their ears** and **watches the clip without sound.**

The **other partner listens** to a short video with **eyes closed.**

- *After watching:* **inform** your partner (1) what you have seen and (2) what you have listened to.

REFLECTION

FURTHER THINKING

- In what way does *Doctors Without Borders* help to face global challenges?
- Why would you / why would you not like to work for *Doctors Without Borders*?
- ...
